Mick,

We need a quick write up... I can do it, but, I would have to have you review it anyway.

What have we done and what plans do we have?

Subject: BP Whiting - EPA Inspections

Hi,

What can I tell Sen. Kirk's office about EPA inspections of the BP Whiting facility? What we've done since the spill, what we plan to do? What we're doing because of the spill versus what we would have or may have done anyway?

I'm not up-to-speed on this and would greatly appreciate your help, thanks.
